

# **KGV Toddlers' Playground Appeal**

**PLEASE HELP**

The toddlers' playground on the KGV recreation ground is currently closed for safety reasons.

There is only enough money available from the Trustees and the Parish Council to do the essential work of replacing the safety matting and the broken tower play equipment. The remaining play equipment is of the same age as the broken tower and really needs replacing now.

The KGV charity exists to benefit the village and is self-funding. We need to raise at least £18,000 to replace all the equipment. There are collection tins in local shops or use the contact details below.

**Please donate to our Appeal  
and give our children  
the playground they deserve.**

Organisers:

Vicky Harris, Sarah Montgomery, Vivien White, Louise (Loolabel) Wishart
