EFFINGHAM VILLAGE RECREATION TRUST

Report of the Trustee for the year ended 31 March 2022

The Trustee presents its report with the financial statements for the year ended 31 March 2022. The trustee has adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Trust is controlled by its governing document (the Scheme), a deed of trust and constitutes an unincorporated charity.

The land itself is a formally designated 'King George's Field'. It was established as such under the terms of the grant towards the initial purchase of the land which was received from the King George's Fields Foundation. The mission of the Foundation was to 'promote and to assist in the establishment throughout the United Kingdom of Great Britain and Northern Ireland of playing fields for the use and enjoyment of the people'. The Foundation itself was finally dissolved in 1965, by which time there were 471 King George's Fields all over the country: Effingham's is not the only 'KGV'. It is however the largest of the sixteen King George's Fields founded in Surrey. The successor body which undertakes to guard the legacy of the King George's Fields Foundation was initially the National Playing Fields Association, subsequently re-named Fields in Trust. Fields in Trust continues to monitor that all designated King George's Fields are kept and used in keeping with the terms of the original grant.

Trustee

The Scheme specifies that the Trustee is Effingham Parish Council. The Trustee appoints the Executive Board.

Related Parties

There are none.

Risk Management

The previous Board of Managing Trustees considered the major risks to which the Trust was exposed and took appropriate actions to eliminate or to mitigate them. Its financial state was examined at regular meetings and considered in relation to budgets, forecasts and any newly identified risks. Hires of the facilities have been constrained by agreements or licences the terms of which are designed to minimize risks and liabilities. Regular checks have been made to ensure compliance with laws, regulations and insurance requirements bearing upon the safety and security of the premises, facilities, staff and users. The previous Board of Managing Trustees was able to track and to act appropriately on risks through a risk register, internal policies and procedures and appropriate insurance. That role is now undertaken by the Trustee and the Executive Board.

OBJECTIVES AND ACTIVITIES

Charity Objectives

The Scheme states that the Trust's objective is, for the public benefit, to provide or assist in the provision, support and maintenance of facilities for recreation and other leisure-time occupation for the inhabitants of the area of benefit, in particular through the provision of a village hall and recreation grounds. The area of benefit is defined by the Scheme to be the Civil Parish of Effingham and its immediate neighbourhood.

Public Benefit

When planning activities for the year, the previous Board of Managing Trustees has considered the Charity Commission's guidance on public benefit and has been satisfied these are in compliance. That role is now undertaken by the Trustee and the Executive Board.

Staff and Volunteers

The Trust's staff during the year comprised one employee, the manager. Two individuals on service contracts provided specialist professional services in the roles of Clerk (up to January 2022) and Facilities Officer. It has also benefited from the continuing provision by Surrey Community Action of its subsidised payroll services.

EFFINGHAM VILLAGE RECREATION TRUST

Report of the Trustee for the year ended 31 March 2022

ACHIEVEMENT AND PERFORMANCE

Review of Activities

The Trust continues to seek operating improvements in a cost-effective manner. To achieve that, best value-for-money contracts have been negotiated and agreed, to undertake cleaning, caretaking, grounds maintenance, clerical and administrative functions.

The annual tree inspection revealed that approximately 80% of the Trust's ash trees were affected by ash dieback. The Trust is applying for licences to fell and grants to replace affected trees. In February 2022, Storm Eunice destroyed 20 old trees which had not been identified by the tree inspection. The damaged trees were either felled or brought to a safe height. 100 trees have been planted with a funding from Effingham Parish Council and its Climate Change Group. In August 2021, a sinkhole appeared beside the premises of the rugby club. Originally it was thought to be a World War 2 air raid shelter. Subsequently, experts concluded that it was a soakaway from the 1960s. The concrete lid had collapsed under the weight of soil and a 10 feet deep hole had been revealed. Repairing the hole cost £3,000.

During the year, the lighting along the path leading from the KGV building to the 3G pitch and the security lighting to the building were renewed with low voltage and energy saving bulbs.

Since April 2019, under the KGV Funding Agreement, Effingham Parish Council has provided funding. The 'Facilities Funding' component has financed the maintenance of facilities and resources such as open spaces, playgrounds and car park - so that residents and others can use them free at the point of access. The 'Management Support' component has financed taking on contractors to undertake management and clerical functions, to expand operations, to reduce the workload of volunteers, and to build capacity for future expansion. The year ended 31 March 2022 was the third year of the agreement and a fourth year has been agreed.

External Organisations

The Trustee is grateful to Effingham Parish Council for grant awards and donations made during the year. HM Government provided support via GBC as emergency Covid funding.

Future Developments

The renewal of the KGV building using Section 106 funds remains a prospect, but is conditional on the progress of a project put forward by Berkeley Homes (BH) to rebuild the local Howard of Effingham School, financed by expanding Effingham's housing. That project has progressed little during the past year. BH claimed that it needed to develop an additional 114 houses to make the project financially viable and applied for consent for those houses. GBC refused that application. BH appealed against that refusal. This 'limbo' creates a difficulty for the Trustee, which must continue to decide how much to invest in the expensive ongoing repairs of the building while being prudent with funds.

In January the previous Trustees reviewed the governance of the Trust and concluded that the preferred option was to have Effingham Parish Council (EPC) as sole trustee. In February, the previous Trustees formally asked EPC to become sole trustee and EPC agreed in principle to do so. EPC and EVRT set up a liaison group comprising the previous Trustees and councillors nominated by EPC. Minutes of meetings of the group were published. The group considered in detail the preferred option and its implementation. Legal advice and the view of the Charity Commission were obtained. Views of residents were sought and considered.

The Trust continues to aim to attract individuals with the skills and knowledge to participate in its management as members of the Executive Board, to provide stability for the Trust and its asset and to improve and to expand delivery of services to users in line with its object.

FINANCIAL REVIEW

Financial Performance

The Trust's policy is to maintain sufficient unrestricted reserves to manage it on a long-term basis. To that end, it aims to generate an appropriate level of income, having regard to the expenditure required to operate and to maintain the buildings and grounds, to finance continuing expansion and improvement of facilities to ensure that they remain adequate for meeting its objects, and to provide a sufficient cash reserve to meet all reasonable contingencies. During the year ended 31 March 2022, it has maintained a cash reserve of £55,000.

Designated Funds

The Trust has set up a designated fund termed the 'Future Project Fund' to facilitate the assembling of unrestricted funds that might be required for spending on specific large, non-capital costs such as essential items of repair or maintenance.

**Independent Examiner's Report to the Trustee of
Effingham Village Recreation Trust**

Independent examiner's report to the trustee of Effingham Village Recreation Trust

I report to the charity trustee on my examination of the accounts of Effingham Village Recreation Trust (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

EFFINGHAM VILLAGE RECREATION TRUST

Notes to the Financial Statements for the year ended 31 March 2022

1. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- at varying rates on cost
Grounds equipment	- 20% on cost
Sports court	- 10% on cost

Fixed assets, other than land and buildings, are stated in the statement of financial position at cost less depreciation.

The Trustee constantly monitor the value of the Charity's land and buildings. They are satisfied that the value is not below the amount stated in the Financial Statement.

TAXATION

The charity is exempt from tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustee.

Designated funds are set aside by the Trustee out of unrestricted general funds for specific future purposes or projects.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

The charity has established funds for the following purposes:

The Future Project Fund is for specific large, non-capital costs such as items of essential repair or maintenance.

The Fixed Asset Fund is for specific large capital costs such as improvements and equipment.

The 3G Replacement Fund is for the charity's share of the costs of the future replacement of the the 3G pitch.

The Capital Fund is for specific large capital costs relating to requirements under licences and other agreements.

The Bookham Colts 3G Project is for items relating to the artificial pitch used by the local football club.

The Playground Fund is for equipment specifically for the playground.
